MEET A JIDAMOO THE RED SQUIRREL

Hello! My name is Adjidamoo (you can pronounce it by saying Jid-moe) and these are my pups. Take the pledge to help my pups learn to eat only squirrel food instead of eating human food at campsites!

I, _____, promise to:

1. Keep my campsite clean.
2. Store my food so that animals can't eat it.
3. Leave plants and tree bark where they are so that animals can eat them.
4. Watch the animals from a distance - I won't feed them!
